

Blooming Babies  
Alice Norris, RN, IBCLC

Spectra pumps available through Alice Norris RN, IBCLC at Maitri.  
Pumps are fully covered by BCBSVT and employees through UVM medical center.

To reserve your Spectra pump please fill out an intake form on my website.  
[www.bloomingbabiesvt.com](http://www.bloomingbabiesvt.com)

I recommend you pick up your pump around 36 weeks. Pumps will be brought to Maitri for you to pick up at your convenience.  
<https://maitriobgyn.com/contact/>

I will email you when your pump is ready for pickup. When you arrive to pick up your pump check in with the receptionist at the front desk and she'll get the pump for you.

In-home lactation support is also a covered benefit by BCBSVT and UVM employees. Reach out for support or plan ahead for lactation support by filling out the intake form requesting lactation support.

Let me know if you have any questions.
